China – 2012

21 Day China Panorama Private Group Tour

April 18 – May 8, 2012 (21 Days)

Hosted by China Spree – Our Own Private Group – First Class

Our friend and Chinese Guide, Jimmy Mao, will be with us from arrival to departure. In addition we will have local guides at each stop. Because it is so early, exact prices cannot be furnished. However, a close estimate for these 21 days including 5-star hotels, and all but 2 lunches and 2 dinners and all except International Air is \$3838 (US). China Spree will furnish deeply discounted air sometime after June, 2011 from east and west coast gateway cities, which will include all transfers.

The tour agenda is as follows:

Day 1 – Depart USA (lose a day)	Days 14, 15, 16 Yangtze River Cruise
Day 2 – Arrive in Beijing	Days 17 & 18, Shanghai
Days 3,4 & 5 in Beijing	Day 19 Suzhou & Tongli (from Shanghai)
