The Original Prime Timers Worldwide, Inc.

Who are Prime Timers?

PPrime Timers World Wide is a social organization that provides older gay & bisexual men the opportunity to enrich their lives. Our members are men who choose to have their social lives enriched by the diverse activities in which our members engage. No single definition can describe Prime Timers, as they come from all walks of life. Prime Timers enjoy the opportunities and friendships that develop with other Prime Timers throughout the world.

Prime Timers was founded in 1987 by retired professor Woodrow Baldwin. He felt a gap existed in today's youth-oriented society. Woody began the Boston Chapter by placing ads in local newspapers and soliciting friends. He expected only a small handful of men, and was surprised when over 40 showed up. Since then, the organization has grown to over seventy chapters worldwide, located throughout North America, Europe and Australia.

What is an Independent Member?

Independent Members are men who do not live near an existing Chapter. The Independent Members are offered many of the same benefits of Chapter Members. We encourage Independent members to consider starting local chapters.

As an Independent member you will be able to visit any chapter and participate in their activities. A bi-monthly newsletter will inform you of Independent news, major chapter events, and activities sponsored in entirely or in part by Prime Timers. There are numerous opportunities to network with others and many venues to meet and socialize with other Members. Just to name a few there is the Annual Labor Day Get Away in Oklahoma City, OK, Annual May gathering in Las Vegas, Halloween In Provincetown, hosted by the Boston Chapter and other events throughout the year. The Prime Timers Convention is held every two years to discuss business, attend workshops, and socialize with old friends and new ones. Conventions have been held in Dallas, Texas; Palm Springs; Washington, DC; Houston, TX, Reno, NV., Toronto, Canada and Palm Springs in 2011. Our 2013 Convention will be held in Columbus, Ohio!

Our organization is emerging as a leading force in the gay and bisexual communities, and while we are not a political organization, we are concerned with society as it affects the aging gay and bisexual population. As our organization grows, we will be leading the pack in seeking answers to the needs and problems of maturing gay and bisexual men. It is hoped that soon a Prime Timers chapter will be in every major metropolitan area in the world.
