PRESIDENT'S MESSAGE

Since the election is over, I want to congratulate Claude Aube, Lee Flowers, Austin Rogers and George Sepso. I am looking forward to working with them and the rest of the Board for another year. The club is doing well, and I am looking ahead to another good year. It would be great if any member could bring a guest. We welcome anyone from 21 to whatever age they are.

Membership renewals for the majority of our members are coming due soon, and you will be notified by George Sepso, Membership Chairman. Membership runs for one full year from the date you renewed in 2007. You will be able to mail your renewal in or submit it at the general meeting.

The Center would like to know what they can do for the Prime Timers of Central Florida? If anyone has any ideas please let any Board Member know. The Center has been good to our club, and we would like to show some appreciation to them.

Don't forget our Annual Dinner is coming up on August 9, 2008 at Lee Flowers' and Nick Maniatis' home. (See details in this newsletter) The meat, drinks and paper goods will be furnished by the club. Lets all turn out for some good food and fun.

Lee Stone

If any member knows of a member who is sick, in the hospital or has passed away please let George Sepso or any Board Member know.
